

Japan TRIZ Symposium 2010

Practice of Creative Thinking through TRIZ Mind Cards

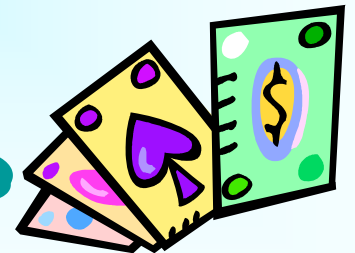

- Everywhere with Essence of TRIZ -

Yukie Hanaoka (Wisdom, Inc.)
Hideto Sanjou (DOCOMO Systems, Inc.)

While looking for ways to solve mind contradictions, we met with **TRIZ and Technical Contradiction Solving**

Because forty principles and twelve mind contradictions are fifty two, let's make playing cards !

Original Principle make no psychological images

【TRIZ-19】
Periodic Action

- * Change rhythm
- * Repeat
- * Move periodically

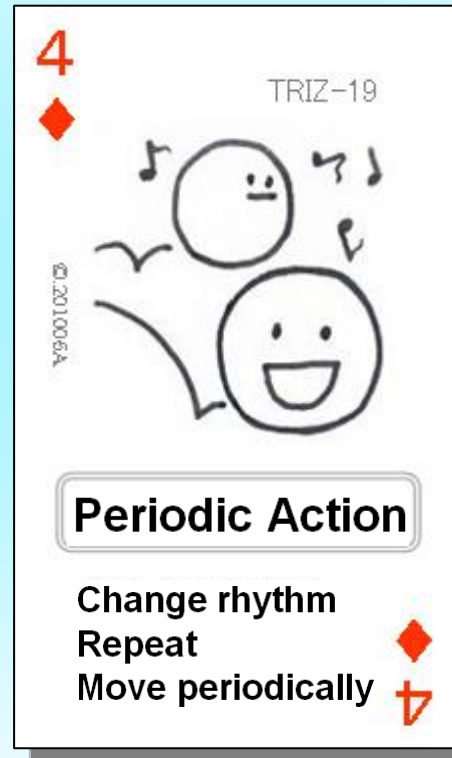

① Replacing with words inspiring psychological images

Rhythmize

② Illustrations support images

③ Playing cards style extends funny images

words + illustrations + funs

Details will be in our poster.

Don't miss it!
